

FirstFloor Maintenance Oil – Instructions for Use

Ensure surface is clean, dry, and free of dust or grease. Use a neutral cleaner such as Floorservice Parquet Cleaner if needed.

Application Method

- Stir the oil well before use.
- Apply in small sections with a lint-free cloth in the direction of the grain.
- For larger areas, apply in an S-shape and buff in with a white pad using a buffing machine.
- Allow to dry for 6–12 hours with good ventilation.

Test product in an inconspicuous area before full application.
